To Whom It May Concern,

I highly recommend the service provide by Max Claster with National Uniform Rentals. Oley Township has been using National Uniform Rentals for over 5 years. During that time Max has evolved from a route driver to a very qualified sales rep who understands his clients' needs.

When occasion problems arise, Max demonstrates his knowledge and regard for customer satisfaction by helping to quickly resolve the issue. Max is always available to answer questions and provide reliable, quality service.

In closing, I can confidently say that Oley Township is completely satisfied with every aspect of service provided by Max Claster with National Uniform Rentals and I would highly recommend them to others.

Sincerely,

Duane L. Howard
